

Question 5: Please indicate how much you would consider paying monthly to lease a human powered watercraft storage space at a waterfront location provided by the City (answer in US dollars).

Showing 202 responses

\$0.00

\$45

\$25-40 per month

6.99 usd

\$60

Human powered watercraft are easily transportable. I would not consider paying any amount for space

\$30.00 - \$60.00

\$ 25-50

Enclosed space? Covered space? Outdoor space? Individual space or shared group space? Answers would make a difference in how much I would be willing to pay. Would like to receive a discount for 1 YR paid in full up front.

\$5 per space

none

0

\$45

Tacoma Point Defiance Marina charges \$26 a month for kayak wall space. Space and maintenance are not free and should not burden the taxpayer.

\$15

\$0

\$25-50.00

\$15

\$10.00

I have my own garage storage.

\$50

not interested

Zero. If the plan is to recover the money spent on the property and building, not possible in a hundred years.

Not at all. A rack for the car is under \$100. It's easy on easy off. That would be a waste

\$25?? really no idea.
10
\$10 a month
na
\$50 to \$100 a month
\$10
25
\$200
\$15
35
Ten dollars per month
\$20
\$50
\$5
\$10/mo
I would not pay a monthly fee.
0
\$10
Unsure but \$50 month seems reasonable.
20-25
\$10/month - during summer months.
\$20
I'd store it at home.

\$10
\$12.00
\$10 - \$15/month for a year rate, would consider paying more if you could rent on a month by month basis
0
\$25.00
\$5 per kayak/canoe/SUP
Gig Harbor
None
\$0.00
25.00 for two kayaks
\$25-\$50
No idea what the market for that is. Probably enough to cover the cost of maintaining such a facility without those who don't have or want a human powered watercraft subsidizing those that do.

With a very secure location, we would be happy to pay a comparable rent for the convenience of storing both of our HPW in a waterfront location.
