INFORMATION/BACKGROUND

As needed, City departments review the City’s current fee schedule as compared to actual costs to determine if updates are needed. Accordingly, all fees listed on the Fee Schedule for 2021 have been adjusted.

There are math errors that have been corrected, and the term “Police Services” has been included in the resolution to clarify that this department has fees in the records request and a fingerprinting schedule. The term “Master Use Permit” has been added to the Franchise Agreement section, and language regarding Wireless Technical Review and Small Wireless Facility Permits have also been added.

Additions and updates have been indicated in Exhibit A by underlines and strikeouts.

FISCAL CONSIDERATION

Fees were last updated April 2019.

BOARD OR COMMITTEE RECOMMENDATION

The Finance and Safety Committee reviewed these proposed updates at their regular meeting of May 17, 2021.
